

# Sato Central Otago Pinot Noir Pisa Terrace 2016

Garnet colour. Deep but not dense. Slightly purple at rim and pinkish edge.

Nose of pretty floral red fruits of Raspberry, plum, cherry (not dark one) and a bit of herbal notes over the fruits.

Very smooth attack with juicy and supple fresh red fruits on you pallet. A medium body wine with fine texture and elegance. Just enough structure as PN wine. Not heavy at all. Good focused fruity taste creates liner direction rather than broad spectrum, ending to long finish with some saltiness, supported by fresh natural acidity.

Bottled with no fining and filtration.
