TIME TO CELEBRATE!

The lovely, pale pink A to Z Bubbles invite with juicy, ripe fruit aromas. Notes of strawberry, raspberry, watermelon, cherry, white peach, nectarine and apricot are joined by white flowers and a hint of creaminess.The bubbles dance on the tongue with mouth-watering acidity that leaves one wanting more.

Primarily Pinot Noir with a bit of Chardonnay (10%), the fruit was left in contact with the skins to get the perfect color, a traditional, natural technique preferable to blending back red wine. Several different aromatic and Rosé yeasts were used during fermentation in 100% stainless steel for freshness.
