WINE ADVOCATE

The House de Venoge resurrects the mythical Champagne Princes created in 1864 by Joseph de Venoge in honor of the Princes of Orange. Its elegant and famous carafe recalls the crystal flasks in which European aristocracy used to decant their champagnes in the early twentieth century.

TASTING NOTE

The Cuvée Princes Extra-Brut is a precise selection of Pinot Noir from the Grande Montagne de Reims, the best Pinot Meunier and great Chardonnay from the Côte des Blancs.

This low dosage reveals delicate aromas and spicy notes. A great wine for the Apéritif.
