

2021

ALMA FRIA

CAMPBELL RANCH
CHARDONNAY

WEST SONOMA COAST

Sitting six miles from the Pacific, just to the east of the Holtermann Vineyard, the Campbell Ranch Vineyard was originally planted exclusively to Pinot Noir. In 2008, our winemaker, Carroll Kemp, brought Old Wente cuttings from the Hyde Vineyard that were selected specifically for the small size of their clusters and mineral flavor profile and grafted just 1.28 acres to Chardonnay, while inter-planting some additional vines to reduce the spacing to 8' x 2.5'. The result has been mesmerizing.

Taste

A true and transparent expression of West Sonoma Coast Chardonnay, this 2021 bottling melds notes of mint, graphite and tangerine oil with white flowers and lemon confit, then delivers them to the palate enclosed in a cloud of coastal salinity.

Wine

APPELLATION *West Sonoma Coast*
ALCOHOL *12.5%*
FRENCH OAK *10% New*
YEAST *Wild*
CASES *120*

Vineyard

YEAR PLANTED *2001*
VINE SPACING *8' x 2.5'*
