

Champagne LUTUN Brut Rose

Gourmet and modern

Pinot Meunier 25%, Pinot Noir 25%,
Chardonnay 50 %
With 15% of red wine

Our champagne rose is coppery in colour, with very fine bubbles rising in a generous bead.

Nose is powerful, combining aromas of red fruits and forest undergrowth due to the pinot meunier red wine blended.

Mouth is ample powerful and complex in the same time. There is a remarkable balance between vivacity and fruitness.

This cuvee is a gourmet full-bodied wine.

Champagne Lutun Rose is the nice friend of an aperitive in the end of hot summerday, and fruitd or chocolate desserts.

Ideal taste temperature between 6 and 9 °C
Available in bottle (750 ml)

The rose champagne is made blending white and red wine. Red one is obtained by macerating musts with grapeskins several days, allowing tannins to be extracted and providing a colour that could varies in intensity from year to year.
