Pink 2020

Spiritually, the mandala pattern is said to help transform ordinary minds into enlightened ones, while the shape symbolises balance and perfection. Pink represents compassion and glamour while silver is said to restore balance.

Tasting Notes

Our 2020 Pink has a delicate pale pink hue. The nose is an attractive blend of berry fruit and citrus blossom while the palate is dry yet flavoursome with lovely, ripe fruit characters and a gentle balance of acidity.

Vineyards and viticulture

Predominantly from our Chaytors Rd vineyard where the gravel soils and strong coastal influence produce Pinot Noir with light, bright, fruity characters ideal for Rosé. The 2020 vintage was outstanding. This block was the first into the winery and was in pristine condition.

Winemaking

The Pinot Noir was picked especially for Rosé at low brix and with bright acidity. The grapes were pressed immediately, and the skins removed so we achieved the lovely pale pink. The juice was fermented in stainless steel tanks with a specially selected, cultured yeast from Provence, France. After fermentation we carefully blended a small portion of white wine which has further enhanced the aromatics, flavours and texture.

A blend of Pinot Noir and Pinot Gris

Cellaring
