

MOUNT PLEASANT

2021

Mount Henry Shiraz Pinot

Australia's unique blend crafted by Maurice O'Shea in 1937 has now become a cult hero among wine lovers. Sourced from our own vineyards, the shiraz is lightly framed and blended with pinot noir from our 100-year-old block, providing a wine of balance, complexity, and finesse. Mount Pleasant revived this blend in the late 1990s and it has since been emulated across all regions in Australia for its amazing complexity.
