WINEMAKING

100% of the fruit for this wine comes from organic vineyards; Hua Nui, Winery and Pencarrow.

The fruit is a blend of Clones 667, 777, 115, 10/5, MV6 and Abel. All handpicked with 5% whole cluster.

A period of cold soak followed by wild fermentations and gentle pumpovers and plunging. The wine is pressed to french oak barrels and left to mature for a period of 10 months during which time it undergoes malolactic fermentation to soften the wine and add complexity. The wine was bottled in March 2023.
