

# STEWART

## 2022 Stewart Tri-County Cabernet Sauvignon

### TASTING NOTES

The Stewart 'Tri-County' Cabernet Sauvignon, sourced from Mendocino County, Sonoma County, & Napa Valley, showcases excellent terroirs from some of our preferred vineyard sites. The rolling red hills of Mendocino contribute bright, vibrant fruit, while Sonoma brings a lively acidity. Napa rounds out the blend, highlighting the structure and rich roundness. Aromas of cherry pie, black cherry, and rose petals are present on the nose, with the palate showcasing mocha, ripe black cherry, and soft vanilla, all framed by elegant tannins.

### WINEMAKER'S NOTES
