

XV

Pure | 2022

SOUTH EASTERN AUSTRALIA

Pristine Australian Vineyards. Pure water from the nearby, free flowing Murray River. Environmentally sound vineyard practices and grapes grown in our vibrant sandy loam soil combine to make these super premium wines. Rich, full bodied and vibrant, the XV range wines are classic Australian reds.

TASTING NOTES

Colour

Dark red with purple hue.

Nose

Lifted nose of vanilla, blackberry and red currant.

Palate

Displays notes of spice and rich black fruits complemented with elegant oak. Perfectly balanced, with a firm, smooth tannin structure, it finishes with an enduring length of ripe fruit and French oak.

Best consumed

Now - 2030

Food Recommendations

Perfect with red meats and spicy Asian dishes, try this wine with a barbequed steak, or slow cooked, rich beef ribs.

WINEMAKING

Winemaking note

Fruit was harvested from our old vines in our exceptional riverside vineyards. The vineyard is situated on the banks of the Murray River, and is of sandy soils, with excellent draining providing ideal conditions for growing high quality fruit. Separate parcels of the wine spent between 6 and 12 months on French oak staves, after which the final blending of select parcels took place.

Varietal composition 65% Ruby Cabernet, 35% Cabernet Sauvignon

Alcohol 14.5%

Winemaker Jo Nash and Olivia Forbes

PURE WINE . PURE PRACTICES . PURE JOY
