

Pencarrow Pinot Noir 2021

An approachable, bright and lively Pinot Noir with beautiful juicy red fruits and good structure.

COLOUR

Medium ruby

AROMA

Smoky, fruity and savoury; aromas of dark cherry, charred oak, bramble, plum and charcuterie float from the glass.

PALATE

Plump, silky and intensely flavoursome, the palate is brimming with liquorice and black forest fruits- cherry, blackberry, plum and boysenberry- kissed with smoky, toasty oak and a hint of dark chocolate.

The tannins are supple and fine, teasing out the long, mouth-watering finish.

AGING POTENTIAL

Delicious now, this will continue to improve through 2027 and drink through 2030.

FOOD PAIRING

Enjoy with Peking Duck, Beef Bourguignon or a juicy T-bone steak, medium rare.
